# Trunk or Treat

By Kay Wolfe

On the Wednesday before Halloween, six Vettes from our club went up to Camp Pendleton to once again join the fun “Trunk or Treat” festivities they have there for children of Marines on base. Led by Gary Pebley, we also had Scott and Royann McClellan, Sarah Miller, Doug and Susan Johnson, Janice Diener, and Don and Kay Wolfe.

When we arrived, we got busy decorating our trunks with Halloween décor before the children started arriving. There were many other cars in addition to ours, all decorated for the holiday and ready for the kids with lots of Halloween candy. Some of our group really got into the spirit with costumes too. It was so much fun once the kids arrived, all costumed and ready for our treats. They were all very polite and thanked us profusely for coming to their event. The dads especially appreciated seeing the Vettes!

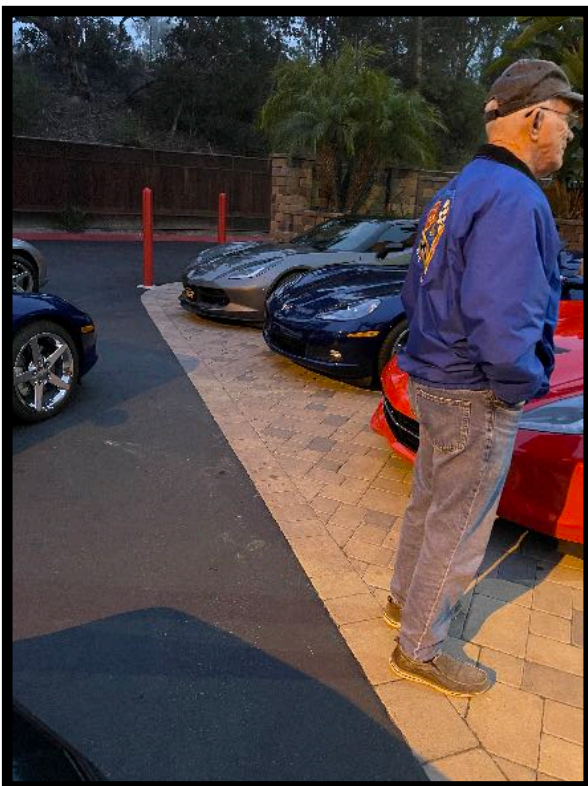

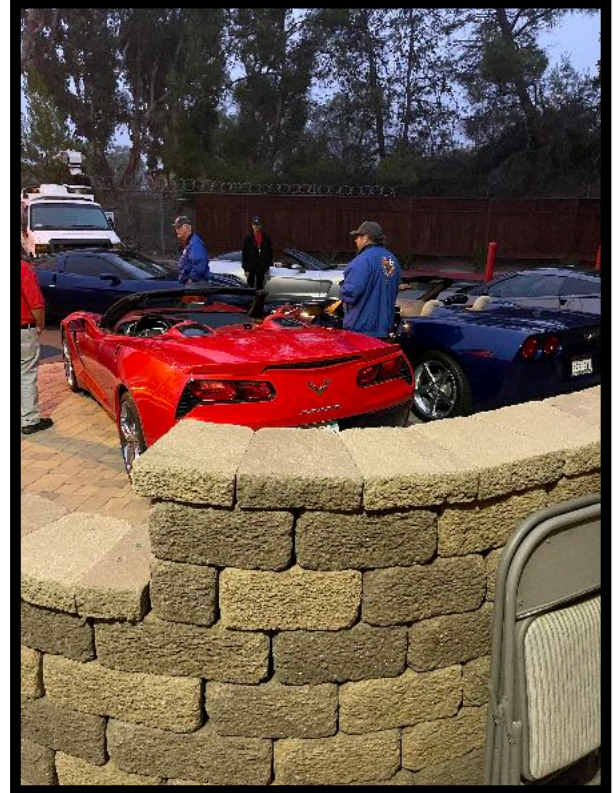

In addition to candy, there were games for the children and pizza and sodas for those of us who participated. It was a fun time and we all thoroughly enjoyed it.

## KUSI Morning Show

One November 3rd a group of NCV members went to the Morning Show at KUSI to promote the upcoming car show. Each were interviewed by Dave Stall and asked about their cars. The group was Janice Diener, Gary Pebley, Mark Trapolino, Norm Pick, Walter Perkins, Steve MacPherson, & Rob Hogue.

If you're interested in looking at the interview, go to the KUSI website and search for Corvette or Vettes for Veterans.

## We Made It!!!

On October 23, we came together to finalize our Vettes for Veterans baskets. Many volunteers helped sort, put together, fluff, and ribbonize 33 baskets. Our goal was an ambitious 30 (hoping for 25) and we surpassed. Three baskets came to us with impressive liquors that were added to the Silent Auction. Instead of 1 Corvette Silent Auction item, we had 3. There were also art, golf items, and hand-made bird houses.

Thank you to all who participated to make this a quality event. Thanks to all who donated to make Vettes for Veterans the place to be on November 6.

## Car Show Of Interest

Bob Brown of San Diego has been coming to the Car Show with his 1959 White C1 for years. This year he sent in his check but mentioned it was a contribution as he would not be attending. I contacted him to ask why and he sent me the following photos.

“I had a bit of a problem coming home from a trip to Carlisle, PA in late August. This is the result of falling asleep at the wheel in SE Kentucky on a warm August afternoon. I took out 7 fence posts and a mailbox, but luckily missed the tree.”
