SOCIAL FOR NOVEMBER

The North Coast Vettes' social for November was at Bowlero in San Marcos. There were bowling lanes, bowling balls, new bowling shoes, score-keeping equipment and 25 North Coast Vette members . . . but, suffice it to say, there were few bowlers . . . we need to practice. (Editor's note: at least I DO . . . worst score of my life!)

The flip side to those scores was the fact that we had a WONDERFUL TIME "assisting one another" and enjoying the environment and the day.

Thanks to **Cary and Nan Thomas** for organizing the fun and the delicious candies they distributed as soft awards for our scores.

Laughter, the best medicine.

Back Row: Linda and Norm Pick, Scott McClellan, John Elder, Glenn Peterson, Mike Eddy, Megan and Mike Merck, Scott White, Rick Weber, Doug Johnson, Marty Kuper, Mary Hantke, Carm Finocchiaro, Don Kingery, Herod Howard; Front row: Royann McClellan, Sandy Peterson, Donna White, Jan Weber, Susan Johnson, Shirley Kingery and Cary and Nancy Thomas in front.

DID YOU KNOW?

1. Anyone interested in having additional club shirts with logos contact: **T-Shirt Factory, 2380 Camino Vida Roble, Suite F, Carlsbad, 92011; 760.814.2224.** They have the NCV logo on file. Bring in your shirt and they will embroider the logo for a nominal fee.
2. A long relationship exists between NASA'S astronauts and the Chevy Corvette. In 1960, Jim Rathmann—owner of the nearby Chevrolet dealership and winner of the Indianapolis 500, convinced General Motors to give the Mercury 7 astronauts brand new Corvettes for

publicity and advertising benefits. Alan Shepard and Gus Grissom were known for racing their Corvettes on Florida's Space Coast highways near Cape Canaveral. Space-race pilot Chuck Yeager drove the Corvette pace car for the 1986 Indianapolis 500.

JUST FOR A LAUGH . . . OR TWO

"When I said you spend so much time in your Corvette you might as well sleep in it, I was being sarcastic!"
