***FEBRUARY
SUPER BOWL PARTY
MARK TRAPOLINO'S***

Mark Trapolino

Although the game was one-sided, the viewing was terrific with three televisions providing the visuals to all . . . and there was wonderful munchies and entrees to satisfy any appetite.

Thanks so much, **Mark Trapolino** and **Lisa Lerandeau** for hosting. It was a wonderful time together. And the best part: **Valerie Treese** (a former NCV member) popped in from Germany, **Vicki Ford** drove down from Huntington Beach and Janice Diener found her way to the party as well. We love the growing group of Corvette afficianados!

TECH TALK

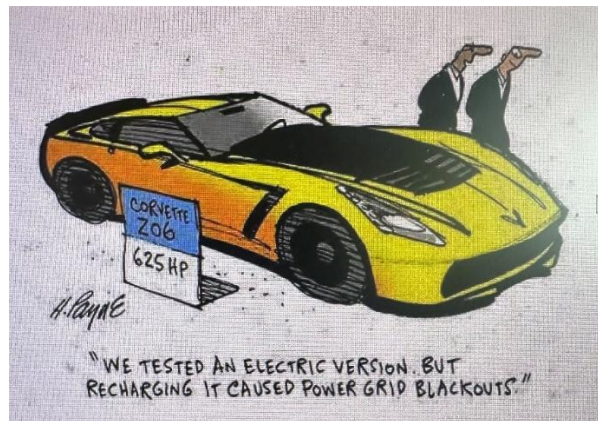

FOR C8 OWNERS: Don Kingery provides this info for all C8 owners. "GM has decreed that all C8s must have the transmission fluid **REPLACED** every three years (regardless of mileage; mine has only 10k). My '22 just turned three and I took it to Premier for the service. Yikes!! The cost for the trans service plus an oil/filter came to \$1,589.92! It breaks down as follows: TRANS \$1309.69, \$585 labor at \$195/hr, \$181 filter and O+F at \$210." He recommends: (1) shop around. "I wanted this service to be recorded into the GM database, so I chose Premier, but any Corvette service location should be able to swap the fluid/filter. (2) Keep track of when you had the required initial trans filter changed (covered by GM). You may not need to install a new filter at the three-year mark (\$181)."

Key Provision was recommended for key fob replacement (760.290.4759).

DID YOU KNOW?

1. APRIL FOOLS . . . The April 1 monthly NCV meeting has been moved to Tuesday, April 8 because of the Solvang trip. Honest.
2. Anyone interested in having additional club shirts with logos contact: **T-Shirt Factory, 2380 Camino Vida Roble, Suite F, Carlsbad, 92011; 760.814.2224.** They have the NCV logo on file. Bring in your shirt and they will embroider the logo for a nominal fee.
